

Cambridge Centre Station

Departures to northbound Hespeler Rd. from bus only lane facing Cambridge Centre Mall

 Under normal operating conditions buses should exit from the bus only lane facing Cambridge Centre Mall to northbound Hespeler Rd. by turning right, circling the platform and exiting to Hespeler Rd. at the mall entrance traffic signal. Buses should NOT exit the Cambridge Centre using the laneway between CIBC and Your Neighbourhood Credit Union due to the difficult right turn onto Hespeler Rd.

Mall laneway between Dunbar Rd. and Cambridge Centre Station

 Under normal operating conditions buses should NOT use the laneway linking Dunbar Rd. directly to the Cambridge Centre Station alongside Applebee's in either direction; buses must use Hespeler Road and circle the station platform as needed. The GRT agreement with Cambridge Centre Mall prohibits buses from traveling on this laneway except under emergency/detour conditions.
